Amendment 01 - Labor Rate Schedule

Replaces the labor schedule for services performed on or after March 1, 2026

Amendment ID	RCSA-LRHS-2026-001-A01
Effective date	March 1, 2026
Applies to	Direct labor under the West Pavilion Renovation
Unchanged	All other Revised Agreement terms remain in force

1. Replacement schedule

The following fully burdened straight-time rates replace every earlier labor rate for the listed classifications. No verbal direction, timecard notation, or invoice practice modifies these rates.

Classification	Effective rate	Billing rule
Carpenter	$115.00/hr	Straight time unless written premium approval applies
Electrician	$138.00/hr	Straight time unless written premium approval applies
Laborer	$98.00/hr	Straight time unless written premium approval applies
Superintendent	$150.00/hr	Excluded from small-tools allowance base

2. Overtime

Overtime is not implied by working outside ordinary hours. A project addendum must identify the approved classification, multiplier, maximum hours, and approval window. Unsupported overtime is adjusted to the applicable straight-time rate.
