Amendment 02 - Equipment Rate Schedule

Current equipment caps for services performed on or after May 1, 2026

Amendment ID	RCSA-LRHS-2026-001-A02
Effective date	May 1, 2026
Applies to	Owned and rented equipment
Pricing basis	Lower of actual documented cost or schedule cap

1. Daily equipment caps

Equipment	Unit	Maximum rate	Included in rate
19-26 ft scissor lift	Operating day	$375.00	Delivery, routine fuel, ordinary maintenance
Portable generator, 20-30 kW	Operating day	$225.00	Delivery and routine fuel
45 ft boom lift	Operating day	$300.00	Delivery and ordinary maintenance
Skid steer	Operating day	$420.00	Standard bucket attachment

2. Application

- An operating day requires an equipment log or third-party invoice showing the service date.
- A supplier receipt above the schedule cap supports the claimed cost but does not authorize reimbursement above the cap.
- Standby, weather-delay, duplicate mobilization, and damage charges require separate written approval.
